Directions:

- + Place 20-25g of alginate powder to 40-50ml of water for facial in a rubber mixing bowl
- + Whip briskly with a medical grade nylon spatula for approx 30 seconds to create a smooth paste
- + Use the spatula to apply the mixture to the face, including eyes and mouth. Avoid eyes and mouth in nervous clients
- + Leave the masque on the clients face for about 35 minutes. This process will form a single masque which is easy to remove. Simply peel the masque from the face in one piece and remove any remnants with a damp towel

+ WARNING!! DO NOT USE IF ALLERGIC TO SEAFOODS

HYDRATING ROSE MASK

Using a mixture of dried and crushed fresh roses with lasting rose essence, enables the skin to absorb nutrients immediately, resulting in soft, radiant nourished and luminous texture.

ANTI-WRINKLE GOLD DUST MASK

Very popular and frequently used in Japan, Korea and many European countries. Nano-Gold is effective in elevating skin's elasticity, hydration and whitening. It also contributes to firmness and shine.

WHITENING CHERRY MASK

Cherries are a rich source of vitamin A, B1, B2, B6, C, and potassium which helps maintain healthy skin. Whitening cherry mask assists in soothing and healing process. Cherries help with combating hyper-pigmentation. Long term use results in soft, clear skin with whitening effect.

ANTI-ACNE KIWIFRUIT MASK

A rich source of water soluble vitamins essential for collagen production, repair and regeneration of the damaged tissue. It is also a good source of vitamin E, a powerful antioxidant promoting healthier skin whilst regulating sebum secretion leaving skin moist and clear.

ANTI SPOT LAVENDER MASK

Lavender petals are a good source of natural oils and nutrients. These slow down the process of aging and assist in firming the skin whilst clarifying, whitening and evening the tone.

DETOX DIAMOND MASK

Active silver foil powder can produce positively charged particles, capable of binding, absorbing, and removing metabolic waste, dirt and excess sebum. This revitalizes and improves skin elasticity and also regulates sebum secretion.
